Dear Ron:

Pursuant to your recent communication with Dean Roberts of our company regarding the Hillside/Gismo/Maybe Project, please be advised that mining will not occur on State Section 2, T37S, R16E. We trust this information will clear the way for approval of the surety bond.

If you need further information, please do not hesitate to contact me or Dean Roberts. Thank you for your assistance.

Sincerely,

C. E. Baker, Environmental
& Licensing Director
